

Quality wind and brass instruments; making the joy of music accessible and fun.

p Buzz
Bone
Trumpet

pBuzz®

pBuzz is the easy way to get into brass playing with your first buzz. Offering a truly authentic experience of a proper mouthpiece, pBuzz has a range of 6 notes through its moveable slide. The slide positions are outlined by colour, note name (i.e. F, G, A, B, Bb, C) and also slide position from 1 to 6. The colour scheme ties in with any other instruments using the Orff system.

Children can learn by many ways with pBuzz including note, slide position and colour to aid the understanding of pitch and varying length. Suitable for children of all ages, but especially from as young as 3 or 4 years old as part of your elementary or primary provision, the pBuzz works as a perfect addition in the classroom to recorders, chime bars, and hand percussion. Also available in Classroom sets of 15 and 30.

Product Specification

- > 5 1/8 inch (130mm) Bell
- > Detachable mouthpiece (will accept any small shank trombone mouthpiece)
- > Coloured slide to help note location
- > Notes and number on slide
- > Lightweight and Durable
- > Closed length: 55 cm
- > Extended length: 81 cm
- > Manufactured in the UK

pBone®

pBone, the world's first plastic trombone, is a lot of fun and also a quality instrument. Lightweight, extremely durable and available in a range of 8 engaging colours. Pitched in Bb and supplied with two mouthpieces, carry bag, 6 months free membership of the International Trombone Association and free online lessons from MusicGurus.com.

Product Specification

- > Pitched in Bb
- > 8-inch Bell
- > Lockable slide and water-key
- > ABS and GRP
- > Weighs 1.8 pounds (800g)
- > Fabric carry bag, 6.5AL and 11C small shank plastic mouthpieces included
- > Available in 8 colours

Available colours

- PBONE1BLK Black
- PBONE1B Blue
- PBONE1G Green
- PBONE1OR Orange
- PBONE1P Purple
- PBONE1R Red
- PBONE1W White
- PBONE1Y Yellow

pBone Mouthpieces

11C plastic trombone mouthpieces (Small Shank) available in Blue, Black, Green, Orange, Purple, Red, White, Yellow

Available colours

- PBONE1B Blue
- PBONE1R Red

pBone^b mini

The pBone mini is a fully functioning dual bore Eb alto trombone constructed in ABS and glass fibre. With all the benefits of the pBone but smaller and lighter, pBone mini is designed for the younger player. Supplied with unique smaller mouthpiece.

Product Specification

- > Pitched in Eb
- > 7-inch Bell
- > Lockable slide and water-key
- > ABS and GRP
- > Weighs 1.1 pounds (500g)
- > Fabric carry bag, pBone mini custom plastic mouthpiece included
- > Available in 2 colours

pCornet®

pCornet is the world's first ever fully plastic cornet. Based on the traditional Shepherd's crook Bb cornet the thoughtfully designed our patented lead pipe technology and fully plastic valve system creates an impressive quality of vibrant sound. Robust, low maintenance and ready to play; the pCornet is perfect for an education setting, as a first instrument or a spare and comes supplied with a cloth bag and two plastic Denis Wick mouthpieces.

Product Specification

- > 4 3/4 inch Bell
- > Unique fully plastic interchangeable valves
- > Durable ABS & POM
- > Adjustable main, first and third tuning slides
- > Weight 1.1 pounds (500g)
- > Pitched in Bb
- > Cloth carry bag and 2 plastic Denis Wick mouthpieces (2B and 4B)
- > Available in 2 colours

Available colours

- PCORNET1R Red
- PCORNET1B Blue

pTrumpet®

pTrumpet is the world's first-all plastic trumpet using innovative design and manufacturing to create a trumpet made only from plastic. pTrumpet has remarkable sound quality, terrific playability and looks really cool and funky. Less than half the weight of a brass instrument, it is very durable and features interchangeable valves, making it perfect for young children. Available in a range of 8 vibrant colours, pitched in Bb, supplied with 2 mouthpieces, carry bag and adjustable valve caps.

Product Specification

- > Pitched in Bb
- > 4 ¾ inch Bell
- > Unique fully plastic valve system with interchangeable valves
- > Durable ABS, POM
- > Adjustable Main, 1st & 3rd Valve Tuning Slides
- > Weighs 1.1 pounds (500g)
- > Fabric carry bag, 3C and 5C plastic mouthpieces included
- > Available in 8 colours

pTrumpet Mouthpieces

3C and 5C plastic mouthpieces available in Blue, Black, Green, Orange, Purple, Red, White, Yellow

Available colours

-  PTRUMPET1BLK Black
-  PTRUMPET1B Blue
-  PTRUMPET1G Green
-  PTRUMPET1OR Orange
-  PTRUMPET1P Purple
-  PTRUMPET1R Red
-  PTRUMPET1W White
-  PTRUMPET1Y Yellow

hyTech pTrumpet®

pTrumpet hyTech is a new chapter in trumpet evolution. Drawing on our years of plastic instrument manufacturing experience alongside traditional brass instrument production techniques, we have created a hybrid instrument that delivers a performance standard beyond that of any previous plastic trumpet.

The HyTech provides great valve tolerances by utilising stainless-steel lined, plastic pistons which run in a hybrid valve block constructed from yellow brass bonded into polymer. The medium-large bore and hybrid polymer/metal lead-pipe of this trumpet create a free-blowing, open feel and accurate intonation.

Product Specification

- > Bb hybrid metal/polymer trumpet
- > 128mm bell (5")
- > 1.4 lbs (650g)
- > ABS main body construction
- > 11.65mm, medium large bore (.459")
- > Patented hybrid lead-pipe design with CNC machined, solid brass mouthpiece receiver
- > Compatible with any trumpet mouthpiece
- > Top sprung valves with ABS guides
- > Available in 3 colours

- > Precision milled 304 stainless steel sleeved pistons with ABS cores
- > Hybrid valve block made from ABS bonded around CNC cut yellow brass
- > Aluminium top & bottom valve caps, stems and contoured finger buttons
- > Metal water keys with silicon seals (main tuning +3rd valve slide)
- > Padded Gig Bag and 7C Silver plated brass mouthpiece

▶ pMouthpieces

Plastic mouthpieces perfect for all playing environments and equally great for buzzing practice. pMouthpieces also work with all normal brass instruments.

- > BioCote anti-microbial protection
- > Black finish
- > Made in Britain
